2008 / 2009

Weleda  
Naturals GmbH

Demeter standard company number 10489

We hereby acknowledge that the products of the above mentioned enterprise can be advertised with the Demeter-Trademark logo.

The enterprise is a member of the Vereinigung der Arbeitsgemeinschaften für Biologisch-Dynamische Wirtschaftsweise Baden-Württemberg e.V. and participates in the Demeter-Acceptance. Furthermore, the annual certification showed that the Demeter-Standards have been observed.

Demeter is the trademark for groceries from bio-dynamic-farming which among others has the following goals:

- forming of agricultural enterprises as holistic live coherence with individual characteristic.
- encouragement and support of natural strength for growth and recovery through bio-dynamic preparations.
- extraction of healthy, high-quality groceries as well as their gentle processing.

Requirement for the Demeter-Certification is the observance of the EG-VO 2092/91. For this the enterprise will be reviewed with the control number D-BW-022-06431-A by a licensed inspection body.

This certification is valid until draw up a new certificate or until recalled but not later than the 31<sup>st</sup> of december 2009.
